ABOUT ME

I am a Mobile App developer (native and cross platform) & special interest of UI/UX design, passionate about user experience, innovative designs and user-friendly apps. I enjoy building Mobile Applications using Kotlin & Flutter, design using Figma. I constantly work hard to improve my skill and applying them to new projects.

SKILL & PROFICIENCE

Language: Dart, Kotlin, C, Java, Assembly, Python.

Android: Java, XML, Kotlin, Compose, Flutter, Unit Testing.

Web: HTML, Markdown, CSS, JavaScript, Flutter.

Database: MySQL, MongoDB, Firebase, SQLite, Room, Shared Preferences.

Version Control: Git, GitHub, Gitlab.

PROFESSIONAL COURSES

- **Apps Development Training - Cross Platform 2021.**
Institute: ICT division, Bangladesh.
Duration: 6 Month
- **Bite in Android with Kotlin**
Institute: DIU Computer programming club, Daffodil International University.
Duration: 4 Month
- **Zero to Machine Learning Bootcamp-2019**
Institute: DIU NLP & Machine Learning Research Lab
Daffodil International University.
Duration: 3 Month
- **Android Firebase Masterclass**
Institute: Udemy
Duration: 3 Month

WORK HISTORY

Junior Flutter Developer

[Jobdesk](#) ®

01/06/2022 - present

Achievement

- Developing native and cross platform Android applications and frameworks using Kotlin and flutter.
- Defining and implementing clean app architectures and complex user interfaces.
- Applying expert knowledge of Android system frameworks to solve novel problems.
- Collaborating with designers, engineers, and product managers to build great experiences.

EDUCATIONAL BACKGROUND

B.Sc. in Computer Science & Engineering

Institute: Daffodil International University

Session: 2017- 2022

CGPA: 3.02 scale out of 4.00

Thesis: Political Post Detection

Higher Secondary School Certificate

Institute: Bhola Govt. College

Session: 2015-2016

GPA: 4.50 scale out of 5.00

Secondary School Certificate

Institute: Shambhupur High School

Session: 2013-2014

GPA: 4.50 scale out of 5.00

LANGUAGES

- **Bangla**
Full professional proficiency
- **English**
Professional working proficiency
- **Hindi**
Elementary proficiency

CERTIFICATION

- Learn A Thon Participant 2021
CISCO Networking Academy
- Open-Source Contributor
GitHub Arctic Code Vault
- Problem Solver
URI online judge

PROJECTS

- **Note App**
A simple Note App built using Kotlin to demonstrate use of Jetpack Compose and MVVM with Clean Architecture.
- **Heart Disease Prediction**
A Simple Flutter Heart Disease Prediction App built to demonstrate use of Machine Learning Model and Flask API.
- **Face Mask Detection App**
A simple Face Mask Detection App built using Flutter to demonstrate use of Machine Learning.
- **Wallpaper App**
A simple Wallpaper App built using Flutter to demonstrate use of API Implementation.
- **News App**
A simple News App built using Kotlin to demonstrate use of Jetpack library and MVVM Architecture.
- **E Shop**
A simple E Commerce App built using Kotlin to demonstrate use of Jetpack library and Firebase database.
- **Crypto Currency**
A simple Crypto Currency App built using Kotlin to demonstrate use of Jetpack Compose and MVVM with Clean Architecture.
- **Image Filter App**
A simple Image Filters App built using Kotlin with MVVM architecture and GPU Image.
- **Univ. App**
A simple App built using Flutter that allows user to get University details by searching university or Country name.

INTEREST

I like to do learn code and programming special interest of Machine Learning & App Development. In our high-tech society, knowing how to code can land us a great job or come in handy as a hobby. But writing lines of code can sound intimidating or even boring. Thinking of coding as an outlet for creativity, a way to dig deeper into my current interests, or a way to achieve a specific goal can help me get interested.

PERSONAL INFORMATION

Name: Md Zihad
Father's Name: Md Faruk Alam
Marital Status: Single
Date of Birth: 23 October 1997
Nationality: Bangladeshi
Religion: Islam
Blood Group: B+
Permanent Address: Bhola, Dhaka, Bangladesh
Present Address: 152/8 Green Road, Dhaka 1209

REFERENCE

Mr. Md. Jueal Mia
Designation: Lecturer (Senior Scale)
Department: Computer Science and Engineering
Institute: Daffodil International University
